Want to add power to your calf crop? It's easy--just use Grid Maker! Truly an outlier in the Angus population, Grid Maker sires cattle that are dominating in their muscle shape and way high for growth. He ranks in the top 1% for 4 'strength' traits--WW, YW, REA and \$F and in the top 2% for \$B, sires stout bulls that are easy to sell and generates females that are strong, classy and mature into powerful, wide-based brood cows. Grid Maker will definitely boost the growth and muscle component of any breeding program.

- Extreme Power with Muscle and Growth
- Top 1% for WW, YW, REA and \$F, Top 2% \$B

Cimarron combines three proven contributors into a useful offering of growth performance and carcass. Tying-up \$Values that are at or near the top across the board, Cimarron can boost value at every step. You'll appreciate his calves--they excel for volume, they're wide at both top and bottom and they grow fast. His calves in our progeny test herds are easy to pick out--they're deep, soggy and 'show the grow'. With his stalwart pedigree and a great start towards bona fide greatness, Cimarron's potential is unlimited.

- 616 Son with Tremendous \$Values
