Cowboy Steak Patties

We've done it. We've found the best tasting hamburger and it's our CAB Cowboy Patties. Juicy, flavorful, delicious. We promise you'll be talking about these burgers to your friends, or maybe you'll just keep it your little secret and serve them instead.

Boneless Ribeye

You say Delmonico we say Ribeye but a steak by any other name wouldn't be as flavorful. A cut from the rib area providing more fat or marbling. Juicy, delicious a steak lovers go to cut.

Porterhouse

Don't be embarrassed, we love your hearty appetite. You'd be surprised to know some of the closet Porterhouse fans we know (mother). Generous portions, great taste, why not? Strip Steak on one side, filet on the other. Who can argue with perfection.

T-Bone

The quintessential steak. T-Bone we salute you. From the short loin, the T-Bone features the Tenderloin on one side and the Strip Sirloin on the other side. Get your grill on. No, seriously, go get your grill on. Hearty, flavorful and a great value.

Filet Mignon

Something about saving the best for last... Who says Filets have to be reserved for special occasions. Succulent, melt-in-your-mouth flavor. This beautifully trimmed piece of meat will wow even the most particular guests.

The Tomahawk

This 33 oz. masterpiece is completely ostentatious and absolutely delicious. Besides making an entrance, it tastes every bit as good as it looks. Throwing a dinner party? Get a couple of tomahawks. You won't be disappointed.
